17 June 2020

To patients registered with Peel Precinct Surgery

Dear Patient / Guardian,

Re: Peel Precinct Surgery, Carlton House, Canterbury Terrace, London NW6 5DX

We are writing to inform you that Dr Shaikh has decided to take retirement and has submitted his resignation to Brent Clinical Commissioning Group (CCG). Dr Shaikh will leave Peel Precinct Surgery after Friday 31 July 2020. We take this opportunity to wish Dr Shaikh a long and happy retirement.

We wrote to you last year on 28 June 2019 to inform you of the suspension of GP services at Peel Precinct Surgery by the Care Quality Commission (CQC). Since this date patients have been asked to attend and receive general medical services from Kilburn Park Medical Centre. You might also be aware that the GP site, at Carlton House, is earmarked for development and therefore these premises will no longer be available in the future. This means **Peel Precinct Surgery will close permanently after Dr Shaikh's retirement after 31 July 2020.**

As a current patient of Peel Precinct Surgery, **you will need to register with a GP of your choice before 31 July 2020 in order to continue receiving GP services.**

In the meantime, the care of all patients will continue to be delivered by Kilburn Park Medical Centre, 12 Cambridge Gardens, London NW6 5AY **until 31 July 2020.**

Finding a new GP practice

You need to register with another GP practice of your choice to continue receiving GP services. You need to live within the chosen practice's catchment area to be able to register. Please visit <https://www.nhs.uk/service-search/find-a-gp> for a list of practices near you. All GP practices in Brent have an open list and would welcome you to register with them. It is your decision as to who you choose to register with.

The enclosed 'Frequently Asked Questions' sheet explains how to register with another practice and answers other questions you may have.

For help registering with a new GP practice, please contact the North West London Primary Care Team on 0207 150 8300, or by email:
NWLCCG.Lon-NW-PCC@nhs.net.

Patient Feedback

Due to the current Covid-19 pandemic, we are unable to hold face to face meetings regarding these changes. However, we have set up a virtual meeting through Microsoft Teams on Wednesday 8 July 2020 from 10.30 am to 11.30 am, and Thursday 23 July 2020 from 1pm to 2pm.

Should you wish to join please email BRECCG.BrentEnquiries@nhs.net so we can email you the invite with login details. We will also ensure you are kept updated on progress through the Peel Precinct Surgery website:
<https://peelprecinctsurgery.nhs.uk/> .

If you have questions or concerns, please refer to the enclosed 'Frequently Asked Questions' sheet in the first instance. Should you have further questions please contact the North West London Primary Care Team, whose details are listed above, or email the CCG at BRECCG.BrentEnquiries@nhs.net

Yours Sincerely,

Fana Hussain

Jan Swannell – London Wide LMC

Chair: Dr Madhukar Patel
Chief Officer: Jo Ohlson
Managing Director: Sheik Auladin

Frequently Asked Questions

1. When do I need to register with a new practice?

It will be best if you register with a new practice before 31 July 2020 so that when you do need to see a doctor, you will already be registered.

2. Do I have to wait until 31 July 2020 to register with another practice?

No – you can register with another practice as soon as you like. We suggest you register with another practice if possible before 31 July 2020 so there is no break in your registration. However, if you do not register before this date it will not affect your right to register with another practice at a later date – there is no ‘deadline’. If at any time you need urgent general medical care, please call 111, or in an emergency please call 999. These are freephone numbers.

3. If I want to register at another practice, do I need to do this myself?

Yes you do. Visit <https://www.nhs.uk/service-search/find-a-gp> for a list of practices near you. Please refer to the list below of GP practices within 1 mile of Peel Precinct Surgery’s postcode. You should visit the GP practice website and register online through the online registration form, if you are unable to register this way, please contact the surgery with which you would like to register directly and ask them to register you.

4. Will there be any changes to the services offered to me at another practice?

All GP practices are required to provide essential services to patients. However, it is possible that there may be some services offered by local GP surgeries which best meet your needs or those of your family member, patients are advised to review <https://www.nhs.uk/service-search/find-a-gp> to decide which practice best meets their needs.

5. What happens to my medical notes?

If you register with another practice before 31 July 2020, your notes will be transferred securely to the new practice. If you do not register with another practice by then, your notes will be removed from the surgery and held securely by NHS England’s Primary Care Support Team. Later, when you do register, the new practice will ask the team to send your notes to them.

6. How do I seek help in finding another GP practice?

For help registering with a new GP practice, please contact the North West London Primary Care Team on 0207 150 8300, or by email: NWLCCG.Lon-NW-PCC@nhs.net

7. How do I compare other practices and make an informed choice about which practice to join?

Individual GP practices have a website that gives you further information about their teams and services. The Care Quality Commission (CQC) assesses and rates GP practices. Where a practice has been visited by the CQC the rating can be found at www.cqc.org.uk. You can also visit <https://www.nhs.uk/service-search/find-a-gp> for information on services provided by GP practices.
